What is CJTS?

Community Justice Tribunals System (CJTS) is an online case filing and management system.

CJTS allows parties to access Community Justice Tribunals' services from the comfort of their home or office. Tribunals under CJTS:

1. Small Claims Tribunals
(Effective July 2017)
2. Community Disputes Resolution Tribunals
(Coming Soon)
3. Employment Claims Tribunals
(Coming Soon)

What are the benefits of CJTS?

Convenience:

Parties can easily lodge a claim, file applications, submit supporting documents, monitor case developments, and apply for an Order of Tribunal online.

e-Negotiate:

Parties can actively negotiate an amicable settlement with the other party without coming to Court.

Accessibility:

Parties are able to access CJTS on the go at any time of the day through their mobile devices.

e-Payment:

Parties can make payment conveniently by way of credit card or internet banking.

e-Notification:

Parties are promptly notified when there are developments in their case status.

Paperless:

Parties can efficiently transmit documents without being required to make copies of documents.
